Potter-Burns News

VOLUME 6, ISSUE 8 APRIL/MAY/JUNE 2017

Principal's Message

Dear Parents/Guardians of Potter-Burns Students:

It is hard to believe that we are in the final trimester of the 2016-2017 school year. This is a crucial time of year and important for our students to stay focused on school work. The PARCC Assessments will be administered for grades 3, 4, and 5 throughout April and May. It is imperative for our students to be in school and on-time each day. Additionally, our grade 4 students will be taking the Science NECAP Assessments on May 9th—11th.

The spring weather has arrived and with it the anticipation and excitement as we look ahead to returning to our newly renovated building in the Fall of 2017. We will update parents and students as to pertinent information about transitioning back to Potter as plans are finalized.
